MISSION STATEMENT

Our Lady of Prompt Succor School strives to educate the whole person by promoting the development of the intellectual, physical, social, moral, and spiritual well-being of each individual, challenging each student to be a living witness of Catholic Christian values in the world today.

PHILOSOPHY

The Christian educators of Our Lady of Prompt Succor School believe that “Catholic education is an expression of the mission entrusted by Jesus to the Church” (*To Teach as Jesus Did*). Our Lady of Prompt Succor School strives to provide its students with a spiritual climate that fosters a love of God and promotes the beliefs and traditions of our Catholic faith. This is achieved through the interaction of the priests, religious, and laity. The educational environment is one that is nurturing and supportive of students through the many developmental stages of childhood. Our Lady of Prompt Succor School pledges a firm commitment to academic excellence and seeks to promote the concept that learning is a life-long process. The curriculum and methodologies are continually adapted to meet the ever-changing needs of our students.

The faculty and staff aim to promote quality education in a well-rounded curriculum, rooted in Gospel values in an atmosphere of firm love and respect. The teacher’s role is to facilitate learning by organizing classroom instruction and activities to provide a wide range of learning experiences that meet the individual needs of our students. The basic skills of learning and effective communication which foster creative thinking, active leadership, acceptance of responsibilities, and a positive self-image are stressed. The faculty and staff of Our Lady of Prompt Succor School are committed to professional and spiritual growth and strive to build a deep faith community.

It is our commitment to help each student learn to respect the person of Christ in self and others. Our students are taught to respect and value their rights, as well as the rights of others, thereby encouraging them to become Christian leaders. We aim to help them grow in the service of God, Church, country, and community. The student is the primary agent in learning and has the responsibility for being receptive to the learning opportunities offered. In this way, the students can be challenged to reach the full potential of their God-given gifts.

Parents are the primary educators who share with Our Lady of Prompt Succor School the responsibility of their child’s education. Involvement is both welcomed and encouraged through close family contact at all developmental stages. Parents are responsible for their

child’s spiritual growth and are obliged to attend Mass and receive the sacraments regularly as a family.

“Catholic schools are unique expressions of the Church’s effort to achieve the purposes of Catholic education among the young. They are the most effective means available to the Church for the education of children and young people.” (Sharing the Light of Faith #232)

STEWARDSHIP

As followers of Christ, we have a responsibility to be stewards of the Church. Our Lady of Prompt Succor School is an important and integral part of Our Lady of Prompt Succor Church. Our church parish subsidizes a significant part of the school’s operating budget. Parents are, therefore, strongly encouraged to be faithful financial supporters of the Church.

ADMISSION POLICIES AND PRIORITIES

Admission to Our Lady of Prompt Succor School is non-discriminatory on the basis of race, sex, national origin, age (in accordance with the law), or disability (provided the disabled person can function in the school environment with reasonable accommodation).

A student entering the pre-kindergarten 3 program must be 3 years of age on or before September 30 to be eligible to register at Our Lady of Prompt Succor School. A student entering the pre-kindergarten 4 program must be 4 years of age on or before September 30 to be eligible to register. A student entering kindergarten must be 5 years of age on or before September 30 to be eligible for registration.

The following are established priorities for admission:

Priority 1 – All currently enrolled students in good standing.

Priority 2 – Brothers and/or sisters of currently enrolled students.

Priority 3 – Catholic children of families who are registered members of Our Lady of Prompt Succor Parish and financially supporting the Church through the use of Church envelopes.

Priority 4 – Catholic children of families who are residing outside of Our Lady of Prompt Succor Parish.

Priority 5 – Non-Catholic students.

A student having difficulties complying with the school’s behavioral policies as determined by the principal will not be allowed to register for the next school year until after June 1, 2018, and only then if a dramatic improvement in behavior has been demonstrated.

A student applying for a grade other than pre-kindergarten three or four or kindergarten must present a copy of the most recent report card, as well as the previous school year. After careful review of this academic and behavioral information by the administration, a determination of acceptance will be made.

REGISTRATION

Registration for the 2018-2019 school year for currently enrolled students and siblings will be held during the week of January 22, 2018. Registration for incoming students will be held during the week of February 5, 2018.

At the time of registration, parents of new students are required to present the following applicable items: birth certificate, social security card, baptismal certificate (Catholic only), copies of report cards from the current and previous school years, immunization record, and child custody documents.

A waiting list of prospective students will be maintained for one year. If a vacancy occurs, families on the waiting list will be contacted. The acceptance of a student will be secured upon receipt of the non-refundable registration fee.

CLASS SIZE

Maximum class size for the pre-kindergarten 3 program will be 15 students per teacher and for the pre-kindergarten 4 program 20 per teacher. A full-time teaching assistant will aid each Pre-K 3 and 4 classroom teacher. All other sections will have a maximum of 32 students per class.

TUITION

Parents have the option of paying the total cost of tuition directly to the school by **May 1**, or using the Pre-Payment Tuition Program. Any portion of the total cost may be paid and the balance can be financed. After the May 1 deadline date, a late fee of \$75.00 will be assessed.

Tuition is paid in advance prior to the closing of the previous school year. The announcement of the fee schedule will be made at the time of registration. Fees for the 2017-2018 school year are as follows:

CLARION HERALD FEE: \$15 per family

PARISH NON-SUPPORT FEE: \$300 per student

The family rate applies only to those families whose children reside in the same household. Pre-Kindergarten Three and Four are not included in the family plan.

LOAN PROGRAM

Our Lady of Prompt Succor School makes loans for tuition available for qualifying families through Gulf Coast Bank. These loans are at an annual percentage rate which is much lower than signature and other unsecured loans offered by banks in the metropolitan area.

It is important to understand that the prompt and timely payment of loans is necessary to insure the daily operation of Our Lady of Prompt Succor School. Since Our Lady of Prompt Succor School operates on a balanced budget, the loss of funds has an immediate impact. When anticipated funds are no longer available, the school must begin the tedious process of securing delinquent payment from these families.

Our Lady of Prompt Succor School, in conjunction with Gulf Coast Bank, utilizes a computer based loan application process. Individuals wishing to finance tuition must establish their loans online by May 1.

Our Lady of Prompt Succor School reserves the right to decline to offer bank loan financing to families who have demonstrated a history of delinquent payments or who have defaulted on the repayment of their loans.

It is recognized that for various reasons it may be necessary for individuals to sign up late for a tuition loan. The following policy applies regarding late loan sign-up.

Any individual signing up after June 1 but before June 30 must pay 10% of the total tuition in cash.

Any individual signing up after June 30 but before July 31 must pay 20% of the total tuition in cash.

Any individual signing up after July 31 but before August 31 must pay 30% of the total tuition in cash. No one will be allowed to finance tuition for the current school year after August 31.

PAYMENT REFUNDS

Tuition payments must be up-to-date to secure your child's place for the next school year. The consequences for delinquent payments are delineated in Section E.

If a child enrolls after the start of the school year, tuition will be charged for the month of enrollment and each subsequent month.

If a student transfers from Our Lady of Prompt Succor School during the school year, only the tuition for the unused full months will be refunded. Students withdrawing after April 1 are not eligible for a tuition refund. In addition to the above, the \$300.00 Non-Parish Support Fee is non-refundable.

DELINQUENT PAYMENTS

If the responsible party does not comply with the school's payment schedule, the school will be forced to take one or more of the following actions in order to secure monies owed:

- 1) The principal will work with you to secure monies for tuition payment.
- 2) If monies are unable to be secured, and payments are delinquent, the Office of Catholic Schools will be notified and will assist in handling the situation, which could include withdrawal from the school.

We realize that extreme circumstances can arise that might result in delinquent payments (illness, death of a family member, loss of job, etc.). Contacting the school as soon as the loan is in default is imperative. In such circumstances, the school will make every effort to work with families experiencing difficulties.

TUITION ASSISTANCE

Our Lady of Prompt Succor School offers a Tuition Assistance Program. This program is available to those families who are enrolled for the free and reduced lunch program and whose current financial situation necessitates assistance in paying for their child(ren)'s education. This assistance applies only to tuition and cannot include any additional fees that families are required to pay. A request for tuition assistance requires the completion of an application for assistance available in the school office. All information furnished is held in the strictest confidence by the pastor and principal.

In the event of a significant change in a family's financial circumstances (e.g., loss of job, death of

spouse, etc.), applications for assistance may be accepted and considered at other times during the school year.

PAYMENTS TO SCHOOL

During the course of the school year, it is sometimes necessary to write checks payable to Our Lady of Prompt Succor School. Any check deposited into Our Lady of Prompt Succor's bank account and returned due to non-sufficient funds will be subject to a service charge of \$25.00. When a check is returned to the school, a telephone request that the amount of the check plus \$25.00 be brought to the school office. If any individual submits more than one check that is returned due to non-sufficient funds, that individual will be put on a CASH ONLY basis with Our Lady of Prompt Succor School. Post-dated checks will not be accepted.

PARENT CLUB

The objective of the Parent Club is to complement the efforts of Our Lady of Prompt Succor School in achieving the goals of Catholic education. Membership is open to parents, guardians, teachers, and interested friends. Dues are \$20.00 per year for each family. Membership meetings are usually held a minimum of four times per school year.

PARENT-TEACHER RELATIONS

The value a child places on education depends, to a very large extent, on the value that parents place upon education. A parent who decides that the education of the child is solely the school's responsibility makes it difficult to provide the best education possible for the child. Therefore, it is essential that parents and teachers form a united front in the educational process. Parents will be kept informed of their child's progress through phone contacts, notes, conferences, report cards, progress reports, and papers sent home. Parents who are not receiving correspondence periodically and/or who see problems developing should contact the school office immediately to schedule an appointment with the teacher. The following two points should be emphasized:

1. A parent who criticizes a teacher in front of his child undermines the teacher's authority. Teachers do make mistakes, but these mistakes should be

discussed with the teacher or the principal not the child.

2. Teachers can be contacted by calling the office at 271-2953 and leaving a message with the school administrative assistant. Phone calls will be returned as soon as possible. Please do not call teachers at home without their consent to do so.

SAFE ENVIRONMENT

All employees and regular volunteers are required to receive a copy of the policy concerning abuse or neglect of minors of the Archdiocese of New Orleans and are further required to read, understand its meaning, and agree to conduct themselves in accordance with the policy. In addition, they must sign a statement attesting to this.

VISITS AND CALLS

Visits with the principal or teachers should be made by appointment only. Visitors, including parents and room mothers, may not go directly to the classroom. Any visit must first be cleared by the office and the teacher before a visitor's pass will be issued.

All visitors must sign in at the office to secure a visitor's pass. Please sign out upon completion of the visit. Visitors on the school premises must be dressed neatly and modestly at all times. Any unauthorized individuals on the school grounds will be requested to leave.

Parents may never go directly to the child or teacher during school hours. That time belongs to all students.

Calls to the school may be made between 7:45 a.m. and 3:30 p.m. at 271-2953. Telephone messages will be delivered during school hours only in the case of an emergency. Transportation arrangements must be made at home. **THE SCHOOL TELEPHONE IS TO BE USED FOR EMERGENCY CALLS ONLY.**

DELIVERIES TO SCHOOL

Deliveries of balloons, flowers, gifts, etc. for any occasion will not be accepted. We ask your cooperation in this matter. Students will not be called from their classroom to pick up items forgotten at home.

BIRTHDAY INVITATIONS

Birthday party invitations, if distributed at school, must be given to each student in a child's homeroom so as to avoid hurt feelings. School birthday celebrations should be cleared with the student's homeroom teacher in advance.

FIELD TRIP CHAPERONES

The following guidelines are in effect for all school-sponsored field trips:

1. Teachers will determine the number of chaperones necessary to insure the safety of all participants. Only those chaperones who have been contacted will be permitted to ride on the bus.
2. Siblings are NOT allowed to accompany chaperones on field trips.
3. Chaperones who attend an Our Lady of Prompt Succor field trip must follow the guidelines as stipulated on the field trip form and/or *Handbook of Policies*.
4. Chaperones must be at least twenty-one years of age.
5. Anyone who uses the school transportation must return to school using the same transportation.
6. Chaperones must be dressed in appropriate attire that reflects a Christian lifestyle. (No shorts allowed.)

6. If students are not picked up within 15 minutes after an authorized after-school activity ends, they will be sent to Extended Day Care for supervision. (See “EDC” for information and fees.)
7. After leaving the school grounds, students are expected to conduct themselves according to Our Lady of Prompt Succor School conduct guidelines. Students should be respectful of private residential property on the way to and from school. Failure to do so will result in disciplinary consequences at school.

EXTENDED DAY CARE

Extended Day Care (EDC) is a service offered by Our Lady of Prompt Succor School to students from Pre-Kindergarten Three through Seventh Grades. This program includes a snack, supervised homework clinic, and structured time, as well as free play and other activities.

The program operates on days when school is in full session and begins at the end of the school day and closes at 6:00 p.m. There is a \$30.00 non-refundable registration fee. The cost for the program is \$90.00 per month per child due on the first day of each month.

The program is also available on a part-time basis at the cost of \$7.00 per day per child. For safety reasons, any child (grades PK-7) who is unsupervised and still on the school grounds at 3:15 p.m. will be brought to EDC. Further, students not picked up by 6:00 p.m. will be charged an additional fee of \$1.00 per minute.

The program also offers before school care beginning at 6:30 a.m. Students checking in by 7:00 a.m. will receive breakfast. The cost is \$3.00 per day if checking in between 6:30 and 7:00 a.m. After 7:00 a.m., the cost is \$2.00 per day.

Enrollment is subject to size limitations based upon adult/student ratio as mandated by state regulations. Applications for enrollment may be declined once sessions are full. Additional information can be obtained from the school office.

TRAFFIC REGULATIONS

For the safety of all our children, parents are requested to observe traffic signs and regulations in the school zone. Trist and Fenelon Streets are one way from 7:30-8:00 a.m. and from 2:30-3:15 p.m. Refrain from using cell phones when in car lines both before and after school.

EMERGENCY PROCEDURES

Our Lady of Prompt Succor School will usually follow the same decision of closure as the public school system of St. Bernard Parish. The announcement concerning emergency closures will be broadcasted on all local television stations in the metropolitan area of New Orleans. School messaging will also be activated with updated information and situations unique to our school.

ATTENDANCE

Elementary students **MUST** be in attendance a minimum of 160 days per school year in accordance with state policies. Exceptions can be made only in the event of extended personal illness as verified by a physician or at the discretion of the principal. A child not meeting the minimum requirement may not be promoted to the next grade. If a student is absent more than five days in any nine weeks, he/she may not be allowed to participate in extra-curricular activities.

Once at school, no student may leave the premises without the principal’s permission. Failure to comply with the regulation could result in expulsion from Our Lady of Prompt Succor School.

ABSENCES

Parents are requested to call the school office before 9:00 a.m. each day a student is absent.

A student who is absent from school for three or more consecutive days because of illness or a communicable

disease must present to the office a written note from his/her parents, as well as a health certificate from the physician, certifying the child is able to return to school.

Absences are anticipated for illness or other grave reasons. Doctor and dental appointments should be scheduled for after school hours so that a minimum of school time is missed. Excused absences will be issued for attendance at our school-related activities, attendance at speech therapy classes, and educational testing only. Please be mindful that any class time missed could be academically detrimental.

In case of absence, your child's teacher(s) will cooperate with you by providing a written list of homework and classwork for that day. Materials must be picked up between the hours of 3:15 and 4:30 p.m. Assignments may be found on the school website www.olpsschool.org.

If a student is unable to complete assignments due to absences, PLEASE SEND A NOTE TO THE TEACHER EXPLAINING PARTICULAR CIRCUMSTANCES. It is the student's obligation to procure and complete class and home assignments covered. Makeup tests must be taken within two days of return for a short absence; for a lengthy illness, additional time will be given. PREVIOUSLY ASSIGNED TESTS MUST BE TAKEN UPON RETURN UNLESS A NOTE FROM A PARENT IS PRESENTED REQUESTING AN EXTENSION.

A student must be in attendance more than four hours during the school day to participate in any after-school activities (i.e., sports games, club functions, etc.).

If a student must go home before dismissal, the parent must "check out" the student in the office. If the student returns before the end of the school day, the parent must "check in" the child in the office. Students will not be checked out by anyone but those individuals listed on that child's emergency card or with written permission from his/her parent.

If a student checks out and misses up to 3.5 hours of the school day, it constitutes a half day absence; if a student misses more than 3.5 hours of the school day, a full day's absence is recorded.

TARDIES

The tardy bell rings at 7:45 a.m. Students who are not in their assigned area at this time will be considered "tardy." Any student arriving after 8:00 a.m. must report to the main school office for admission. Those students arriving after 9:00 a.m. will be considered absent. If a student misses up to 3.5 hours of the school day, it constitutes a half day absence; if a student misses more than 3.5 hours of the school day, a full day's absence is recorded.

Tardies can affect your child's academic progress and attitude toward educational performance. Coming to school after 7:45 a.m. can be very disruptive to the child, as well as other students. Please make every effort to have your child in the school before 7:45 a.m. each morning. This will allow the student to begin each school day on time and to be better prepared to begin class relaxed, refreshed and able to cope with the demands of a new day.

HEALTH

An immunization record must be submitted to the school office by the opening day of school or the student may be withheld from class. Immunizations must be kept current during the school year.

Our Lady of Prompt Succor School participates in the Louisiana Immunization Network for Kids Statewide (LINKS). The state of Louisiana requires that all children have the proper immunizations and that schools file an annual report attesting that the children have filed the appropriate records. In an effort to comply with this state regulation, Our Lady of Prompt Succor School participates in the LINKS program.

By signing this *Handbook of Policies*, permission is granted by you to allow Our Lady of Prompt Succor Catholic School to access your child's immunization records utilizing the LINKS program.

In the event of a communicable disease, the parent should immediately notify the school office as to the nature of the specific disease.

Please do not request that your child be excused from physical activities at school unless it is absolutely necessary. No child will be excused without a written note from the parent.

Parents should make periodic checks of their children's heads for head lice. If a child has been found to have head lice, he/she will be sent home. Before your child is allowed to return to school, he/she must be properly treated with the appropriate shampoo and all nits must be removed. After effective treatment, the child may return to school.

First aid only is administered by the school. Please be certain to complete the Emergency Card so appropriate action can be taken by the school in case of an emergency; include work/cell phone numbers and **ADVISE THE OFFICE OF ANY CHANGES IN EMERGENCY INFORMATION.**

If medication must be taken during school hours, the parent must come to school to bring and administer any medication or the parent is required to complete a medical consent form available in the school office and have the doctor provide the necessary information. School staff is not allowed to administer any medication (prescription and/or non-prescription.)

If a student is taking medications at home which may have adverse side effects, please notify the school office and teacher(s) and include this information on the reverse side of the emergency card. This precaution is being taken for the safety and well-being of all children.

Students are not allowed to have any medication in their possession during school hours, including non-prescription medicines, such as acetaminophen, cough drops, etc. These stipulations are mandated by state law, and the intent of this policy is for the well-being and safety of all students.

The signer of this *Handbook* acknowledges that the school does not assume the role of health care provider in diagnosing or treating its students; nor does the personnel (includes principal, faculty, and staff) have experience, knowledge, or expertise in providing any emergency treatment that may be necessary for any student, including but not limited to – and by way of example only – any treatment for allergic or diabetic conditions. The school will take reasonable steps in a medical emergency to care for a student. In specific circumstances in which a student needs to self-medicate or requires assistance with medication, the signer of this *Handbook* acknowledges that the school may be unable to accommodate the medical needs of

their child/student. This matter should be discussed directly with the school principal. In certain circumstances in which the student needs to self-medicate or needs other medical assistance, the signer of this *Handbook* acknowledges that this must be discussed directly with the school principal.

AIDS

The Archdiocesan AIDS policy is as follows:

1. Students with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment in grades K through 12 shall be permitted to attend school.
2. Students with Acquired Immune Deficiency Syndrome (AIDS) shall not be excluded from attending school or parish religious education programs for reason of the infection unless the following exceptional conditions are evident as determined by the student's physician, the student's parent(s) or legal guardian(s), the appropriate school or religious education program administrator(s) and, in a parish setting, the pastor.
 - a) The student is not toilet-trained or is incontinent, or is unable to control drooling, or presents a very disturbing appearance;
 - b) The student is unusually physically aggressive, with a documented history of biting or harming others.
3. The identity of a student with Acquired Immune Deficiency Syndrome (AIDS) and all health records and other pertinent files shall be kept confidential in accordance with the law.

Our Lady of Prompt Succor School will provide an AIDS education program in grades K-7 entitled "AIDS: A Catholic Educational Approach to HIV" (available from the National Catholic Education Association).

ASBESTOS

In accordance with the Asbestos Hazardous Emergency Relief Act (AHERA), a Management Plan has been prepared and approved by the State Department of Environmental Quality (DEQ). This management plan is available for you to review in the school office during regular school hours.

LIBRARY

Students have access to the library during school hours. Books may be returned to the library during regular library hours. Children who do not return borrowed books will not be allowed to check out new ones. **Students will be assessed a replacement cost for lost or damaged books. Failure to comply with the above regulations will result in further consequences.**

Library materials are selected by the librarian in consultation with the principal and reflect the mission of the school. If there is a concern regarding the appropriateness of specific library material, please submit your concern in writing and a formal review process established by the principal and/or school board will be followed.

CAFETERIA

Well-balanced meals will be available. The cost of lunch may be paid daily with correct change or the students may submit money to be held on account; checks payable to Our Lady of Prompt Succor Cafeteria will be accepted. The cost of lunch is \$2.50 for all students. Students in grades 1-7 may also purchase milk, juice, and bottled water for an additional cost. If monies are not readily available in the student's account, a parent will be called in order to add funds to the account.

Students may also bring a bag lunch from home; milk and juice are available for purchase. Students are not allowed to bring carbonated beverages, glass bottles, or fast food items. Additionally, refrain from bringing peanut or peanut products for lunch or snacks as other students may have severe peanut allergies. Because of the importance of a healthy diet, please cooperate by packing nutritious lunches. A nutritious lunch is a catalyst for a successful afternoon of learning. Students are expected to eat a nutritious lunch daily. Students who do not bring a lunch from home will be required to purchase a school lunch. If your child does not eat lunch regularly, you may be notified.

A lunch account is established for each student in order to pre-pay for school lunch. A minimum balance of one week of funds is suggested. You may pay by the week, month, or longer. Checks for school lunches should be made payable to "OLPS School Cafeteria."

Once an account is more than \$20.00 delinquent, the student will be provided with a sandwich made by school staff and a milk.

LOST AND FOUND ARTICLES

Lost and found articles can be claimed in the school gym. Items will periodically be disposed of or given away.

SCHOOL SUPPLIES

Parents should check their child's supplies periodically to see that they are adequate and up-to-date. It is the students' responsibility to come to classes with all needed material and supplies. Items such as lunches, homework, projects, or tests papers that have been forgotten at home will not be delivered to the classrooms during the school day. Continual failure to have proper materials will result in a lunch detention.

All textbooks must be covered the first week of school and are to be kept covered throughout the year. The student is responsible for the cost of any damage or lost book (replacement cost). Each student must take proper care of his/her state, school, and personal books. DO NOT apply contact paper, adhesive materials, or tape directly on hard-covered textbooks. The student's name must be written on the book cover and in the proper place inside the book.

All students in grades 1-7 are required to use a school assignment pad and pencil case that will be sold by the school.

Backpacks or tote bags may be used to carry books and supplies to and from school, unless otherwise specified by the teacher. Backpacks with handles and rollers included are also acceptable. These backpacks must have straps that will allow them to be hung on the back of school desks. School bags or book covers with other school insignias are not allowed.

Correction fluid (e.g. *Wite Out* or *Liquid Paper*) is not allowed at school. However, Correction Tape may be used.

Such an environment supports healthy growth and responds to the developmental needs of early adolescents in their homes, schools, and communities which is fully integrated in the light of faith.

Our Lady of Prompt Succor School focuses upon several practices, activities, and programs designed to meet the special needs of our early adolescents in grades 4 - 7.

A student must be in attendance more than four hours in the school day to be eligible to participate in extracurricular activities.

A student who has been suspended from school because of disciplinary actions will not be allowed to participate in any school activities for the day of the suspension.

The Archdiocese of New Orleans or Our Lady of Prompt Succor Parish and School does not provide transportation for school-sponsored activities held off the grounds after hours. Therefore, participants are responsible for their own transportation to and from all such events. Only students participating in after-school activities are allowed on school grounds during the activity; siblings should not attend these activities without adult supervision. The following rules apply to all extracurricular activities:

1. If the activity does not begin directly after school, the student(s) must have adult supervision until the appointed time of the activity.
2. When the activity is completed, the student must be picked up within 15 minutes or he/she will be sent to Extended Day Care (EDC).

4. Students may not leave the school grounds and return without parental permission when participating in school activities.

Educational Activities – Our Lady of Prompt Succor students may participate in class field trips and attend performances on campus that correlate with the school curriculum. The purpose of all educational activities is to expose the students to a different educational medium and to teach responsible behaviors outside the classroom setting. Students are expected to behave appropriately or the privilege of attending these activities will be suspended. A student who does not attend an activity is expected to report to school on that day. Students may also be denied participation in educational activities if they fail to meet academic/behavioral/attendance requirements.

Organizations and/or activities may be included or excluded as personnel or student interests dictate. A minimum year-to-date grade point average of a 78 in all major academic areas (according to grade level), a "C" in conduct, and no more than 5 days absence in any nine weeks are necessary to participate in all school activities unless otherwise noted by the club moderator. DISCIPLINE POLICY

Our Lady of Prompt Succor students are expected to conduct themselves in a manner which reflects the school philosophy. Each student is expected to treat adults and other students with courtesy and respect. They are expected to follow the regulations which are made for safety and order and to cooperate with their teachers so that the instructional atmosphere is conducive to learning.

Our Lady of Prompt Succor School is committed to providing a quality Catholic education. There are certain criteria which have been established to insure a successful Christian discipline program. Through this discipline program, we hope to accomplish the following:

1. Students accept responsibility for their own work and actions.
2. Students are led to recognize the person of Jesus in others and to realize that their dealings with other people must reflect this belief.
3. Parents are the primary educators of their children and should be supportive of disciplinary actions.

All disciplinary corrections are given in a spirit of understanding and justice. Before any major decisions or disciplinary actions are taken, prayerful reflection takes place.

The following is a list of rules that each Our Lady of Prompt Succor student is expected to follow:

1. Complete required assignments and participate appropriately in class.
2. Maintain appropriate classroom behavior in accordance with each teacher's expectation.

A cell phone in any student's possession that is turned on without a teacher's permission from the time the student enters the school grounds and leaves the school grounds at the end of the day will be confiscated. It will be returned to the child's parent only at the end of the school week. 14. Smart watches are not allowed in school.

17. Drugs (non-prescription or otherwise), alcoholic beverages, tobacco, or weapons are not allowed on school grounds.

18. Threats or actual occurrences of violence will not be tolerated. Violence is defined as causing physical harm to another. Threatened violence is defined as threatening physical harm to another.

It is the responsibility of each student to appreciate his God-given gift of free will and to make wise choices. It is also the responsibility of each student to realize that inappropriate choices carry necessary consequences. In the event of personal property damage/destruction, restitution MUST be made.

Behavioral problems will be dealt with individually. The age of the student and nature and frequency of the offense will be taken into consideration when correction is necessary and when consequences are determined. Parents are asked to cooperate with the school when disciplinary action becomes necessary. Providing the proper educational environment is the commitment of our school to its students. Therefore, an atmosphere in the school and classroom that is conducive to high productivity for students and teachers must prevail at all times.

The following is a list of possible infractions and their consequences; it is not inclusive of all possible infractions. The principal and/or pastor is the final recourse in all disciplinary situations and may waive any and all regulations for just cause at his or her discretion.

CODE OF CONDUCT

In order to facilitate the task of educating students, some method of making students and parents aware of misbehavior must be developed. A system of Recess Detainments and Afternoon Detentions was developed by the faculty in order to maintain a classroom atmosphere suitable to learning.

DETENTION

Detention will be held for one (1) hour. Detentions will be issued for offenses considered serious in nature. The issuance of a Detention or recess detainment for **harassment will depend on the seriousness of the incident.** Students who choose to act in the following manner will receive a Detention.

1. Fighting

2. Biting
3. Stealing
4. Defacement of school property
5. Cheating
6. Leaving school grounds without permission
7. Use of foul language or obscene gestures
8. Disrespectful behavior to adult members of the community
9. Three recess detainments
10. Harassment of student or students
11. Any serious misbehavior that in the judgment of the teacher warrants the attention of the parent and the disciplinarian.
12. Endangering self or others by inappropriate behavior

RECESS DETAINMENTS

Recess detainments (RD) will be used to deter students from behaviors that deprive their fellow students of the opportunity to learn or that interfere with the orderly operation of the school. A student will report to the RD classroom after he/she has been allowed twenty minutes to eat lunch. He/she will remain in RD until the bell rings for afternoon classes. This recess detainment will be immediate. A student who chooses the following behaviors will receive a Recess Detainment:

1. Non-completion of punish work
2. Gum chewing
3. Inappropriate behavior in church
4. Harassment of other students
5. Roaming during class change

6. Inappropriate conduct in class, hall, cafeteria, playground or rest room, etc.
7. Entering school without permission
8. Dress code infraction

AFTER-SCHOOL DETENTION

All students – The assignment of an after-school Detention is considered a serious matter. The teacher assigning the detention, a parent, the student, and the disciplinarian of the school will sign all Detentions. Students who choose not to report to after-school Detention at the designated time will be considered in serious violation of school rules and subject to suspension. Parents must assume the responsibility for making arrangements to pick up students after Detention Hall.

The assignment of an after-school Detention will automatically drop the conduct grade one-letter grade. Parents will be informed when students are required to serve a Detention. A student who receives three Detentions will automatically receive an in-school suspension. Three further Detentions will lead to a two-day suspension. A student returning to school after the second suspension will be considered on disciplinary probation. Any further incident worthy of detention may lead to expulsion. A suspended student will be assigned work and must complete all assignments. Parents will be required to pay a **substitute fee of \$60.00 to monitor** the suspended student.

We wish to work with parents as closely as possible. When students are behaving in such a way as to deny others their right to learn or endanger other students or themselves, the community's rights must be recognized over the individual's rights.

For any major offense (e.g., vandalism, threat of violence), the principal may suspend or expel a student.

In the case where a law is violated, especially in the matter of possession, use, or sale of controlled substances, the carrying of firearms or any other deadly weapon onto the grounds, the police and juvenile authorities will be called. Students who engage in these particular activities will be expelled.

Carrying a firearm/weapon by other persons onto school property is unlawful and the intentional possession of any firearm/weapon on one's person on a school campus or within a thousand feet of any school campus or on a school bus is a violation of the law and will be treated as a most serious offense. Authorities will be contacted to address this matter should it arise. The only exception is police officers that are on duty.

Proper behavior of Our Lady of Prompt Succor students is expected at all times, not just at school related activities or in school. Students who conduct themselves in a manner unbecoming of an Our Lady of Prompt Succor student off the property can and will be disciplined if the principal sees that is proper. Students who involve themselves in any illegal activities (including harassment of classmates or school personnel) will be disciplined, suspended, or expelled by the school whether the incident occurs during school or in the community at large. The severity of punishment will be in accordance with the seriousness of the transgression.

In cases of protection for the well-being of the students, the school reserves the right to search a student's desk, school bag and/or personal belongings at the discretion of the administration.

Again, the matter of proper conduct is a cooperative effort. Please review this matter carefully with your children. Make sure that you and your children understand the Code of Conduct and the basic reasons for the Code.

Grades Pre-Kindergarten 3 – 1: Teachers in grades pre-kindergarten three and four, kindergarten and first grade handle their own student discipline. In the event a child in these grades is unable to adapt to the classroom environment and repeatedly disturbs others in an unacceptable fashion, the classroom teacher and the administrators will meet with the parents to address the difficulty. In cases where a remedy for the behavior is not found and the behavior does not improve, the parent will be asked to find a more appropriate educational setting for the child.

Note: All after school detentions must be served on the assigned day.

SUSPENSION/PROBATION

Any student who continues to display inappropriate behavior or commits a more serious infraction will be issued a one day suspension. The assignment of a suspension/probation will automatically drop the conduct grade one-letter grade. These infractions include, but are not limited to the following:

1. Verbal aggression towards a teacher or other staff member
2. Major vandalism
3. Pulling a fire alarm in a school building without just cause
4. Damaging school equipment
5. Failure to attend any detention period
6. Second offense of improper use of a cell phone

1. Premeditated fight and or extreme threat of violence
2. Leaving the school grounds without permission
3. The use of cigarettes and/or alcohol in school or at school-related functions
4. First time violation of the drug policy

Students suspended for extended periods of time will be placed on behavioral probation and are not guaranteed enrollment at Our Lady of Prompt Succor School for the following school year. Any further transgression may result in an expulsion.

A student who has been suspended from school because of disciplinary action will not be allowed to participate in any school activities for the day(s) of the suspension.

Parents will be required to pay **(\$60.00)** the cost of a substitute teacher to supervise the suspended student.

8. Possession of a weapon of any kind
9. Any other extremely serious infraction that jeopardizes the safety of the school or community or which is morally offensive according to the teachings of the Roman Catholic Church, and thus, harmful or offensive to members of the school community.

The Disciplinarian may convene a Disciplinary Committee to recommend the appropriate course of action.

A parent may appeal the disciplinarian's decision to expel to the Principal and then to the Pastor. These appeals must be in the form of a letter.

DRUG POLICY

Our Lady of Prompt Succor School is committed to educating students, parents, and members of the school community about the realities of drug abuse and available sources of assistance. There is a drug education program available for all students in grades kindergarten through seventh. The curriculum includes topics on peer pressure, self-esteem, decision-making, and substance awareness. The program is designed to increase each child's awareness of the special qualities God has given him and to teach skills that can be used in everyday situations. The ultimate goal is to help our students grow into responsible, independent, young adults, capable of making intelligent, informed decisions.

Possession of any alcoholic beverage, drug, or drug paraphernalia, or possession of a substance described by the student as any of the above, is prohibited on

school grounds or at school-sponsored events. First-time violation of this policy will result in the following:

1. Parents will be notified and the family will be referred to an appropriate agency for an immediate drug screen. If the drug screen is positive, an expulsion hearing will be held.
2. If the drug screen is negative, the student will be suspended and required to attend substance abuse counseling. The student will be re-admitted on probation following the period of extended suspension. The terms of the probationary enrollment will be outlined prior to the student's return.
3. Periodic, random drug screens at the discretion of the administration may be required. The sale of or intent to sell any alcoholic beverage, drug, or controlled substance is expressly prohibited on school grounds or at school-sponsored events and Our Lady of Prompt Succor School upholds a "zero tolerance" for such actions. Violation of this policy will result in an expulsion hearing and the proper civil authorities will be notified, as well.

FIREARMS

Acts 38 & 107 of the Third Extraordinary Session Of Louisiana Legislature of 1994

R.S. 14:95.1 as amended by the Louisiana Legislature through the Third Extraordinary Session of 1994 creates the crime of carrying a dangerous weapon by a student or non-student on school property, on a school bus, at school sponsored functions, or in other designated zones. The law provides that a dangerous instrumentality includes but is not limited to a firearm or other object, any gas, liquid, or other substance or other instrumentality, which, in the manner used, is calculated or likely to produce death or great bodily harm. A dangerous weapon includes a gun, knife, club, or similar device. The law prohibits possession of such an instrumentality within 1,000 feet of the school's property, on a school bus, and at any school sponsored function in a specific designated area including but not limited to athletic competitions, dances, parties, or any extracurricular activities. Whoever is convicted of the crime of carrying a dangerous instrumentality, whether a student or a non-student, is subject to a maximum

penalty of imprisonment at hard labor for not more than five (5) years. The law exempts from its provisions a federal, state, or local law enforcement officer or school official or employee acting under the direction of such a school official or employee. It also exempts participants in any legitimate firearm safety course or similar course or activity. The law mandates that a principal or school official notify the parents of any student who is detained or arrested for carrying a dangerous instrumentality, that the principal or school official immediately report any detention of a student or other person for this reason and the seizure of any dangerous instrumentality to the appropriate law enforcement authority. Any principal or school official who fails to properly report the detention of any person or seizure of any dangerous instrumentality to the appropriate law enforcement agency may be issued a misdemeanor summons and, upon conviction, fined not more than \$500.00 or sentenced to not more than 40 hours of community service, or both. Permanent notice of the legislation upon which this is based is posted in the school office and cafeteria.

SEARCH AND SEIZURE

A school official may search students, their desks, their lockers, or belongings (e.g., handbag, briefcase, bookbag, backpack) periodically for neatness and/or contraband for purposes of maintaining order and discipline. A search may be conducted if a school official has a reasonable belief that contraband, illegal substances or objects, or stolen property are being concealed or that a violation of a school rule related to the maintenance of discipline in the school has been committed.

REVIEW OF RECORDS

Legal guardians have the right to review their child's educational records kept on file in the school office. Please call the school office to arrange an appointment.

POLICY ON RESPONSIBLE USE OF ARCH-DIOCESAN INFORMATION RESOURCES

GENERAL STATEMENT

As a part of their mission, archdiocesan offices, agencies, parishes and schools acquire, develop, and maintain computers, computer systems, voice mail

systems and networks. These information resources are intended for archdiocesan-related purposes, including direct and indirect support of the archdiocese's ministries and administrative functions and of the free exchange of ideas among members of the archdiocesan offices, agencies, parishes and schools and the wider local, national and world communities. The archdiocesan offices, agencies, parishes and schools, thus, are encouraged to make innovative and creative use of information technologies in support of service and administration, but the information system is not to be used for the expression of personal opinion other than in regard to archdiocesan business. Further, all of the information resources are and remain at all times the property of the Archdiocese of New Orleans.

The use of the aforementioned information resources, like the use of any other archdiocesan-provided resource and like any other archdiocesan-related activity, is subject to the normal requirements of legal and ethical behavior within the archdiocesan offices, agencies, parishes and schools. Based on the teachings and moral principles of the Roman Catholic Church, it is the policy of the Archdiocese of New Orleans to provide members of the archdiocesan offices, agencies, parishes and schools with an environment free from conduct deemed inappropriate by the Roman Catholic Church. Should any member of the archdiocesan offices, agencies, parishes and schools, including employees, students and volunteers, engage in any conduct violative of Roman Catholic Church teachings or principles in the use of a computer, e-mail, voice mail or the internet, the Archdiocese of New Orleans reserves the right to take whatever disciplinary action it deems appropriate as to any user, notwithstanding whether such action violates any other laws, regulations or policies. Thus, legitimate use of a computer, computer system, voice-mail system or network does not extend to whatever is technically possible. Although some limitations are built into computer operating systems and networks, those limitations are not the sole restrictions on what is permissible. Users must abide by all applicable restrictions, whether or not they are built into the operating system or network, and whether or not they can be circumvented by technical means.

With access to computers and people from around the world also comes availability of material that may be offensive and contrary to the mission of the archdiocese. The archdiocese does maintain a

firewall/filter to protect individuals against the existence or receipt of material that may be offensive to them, however, with the global nature of computer networks it is impossible to control all materials and an industrious user may discover controversial materials, either accidentally or deliberately. As such, those who make use of electronic communications are warned that they may come across or be recipients of material they find offensive. Those who use e-mail or make information about themselves available on the Internet should be forewarned that the archdiocese cannot protect them from invasions of privacy and other possible dangers that could result from the individual's distribution of personal information. Should any user of archdiocese information resources become aware of unauthorized access to improper sites or material or inappropriate use of e-mail, the user should report this matter to the appropriate supervisor.

Only computer software approved by the appropriate supervisor should be installed on to individuals' computers and the Archdiocese reserves the right to delete any unauthorized programs from any archdiocesan computer, even though the deletion may cause damage to any files belonging to the owner/user.

APPLICABILITY

This policy applies to all users of archdiocesan information resources and to all users of those resources, whether on archdiocesan property or from remote locations. Additional policies may apply to specific computers, computer systems, voice-mail systems or networks provided or operated by specific units of the archdiocese. Consult the operators or managers of the specific computer, computer system, voice mail system or network in which you are interested for further information.

POLICY

All users of archdiocesan information resources must: Comply with all federal, Louisiana and other applicable law; all archdiocesan rules and policies; and all applicable contracts and licenses. Examples of such laws, rules, policies, contracts, and licenses include the laws of libel, privacy, copyright, trademark, obscenity, and child pornography; the Electronic Communications Privacy Act and the Computer fraud and Abuse act, which prohibit "hacking", "cracking", and similar activities; archdiocese's sexual harassment

policy; the archdiocese's policy regarding the use and neglect of minors and all applicable software licenses. Individuals involved in "hacking" and/or "cracking" break into someone else's computer system and/or bypass passwords or licenses in computer programs. Users who engage in electronic communications with persons in other states or on other systems or networks should be aware that they may also be subject to the laws of those other states and countries and the ascertaining, understanding, and complying with the laws, rules, policies, contacts, and licenses applicable to their particular uses.

Use only those information resources that they are authorized to use and use them only in the manner and to the extent authorized. Ability to access information resources does not, by itself, imply authorization to do so. Users are responsible for ascertaining what authorizations are necessary and for obtaining them before proceeding. E-mail and related archdiocesan accounts and passwords may not under any circumstances, be shared with, or used by, persons other than those to whom they have been assigned by the archdiocese.

Respect the privacy of other users and their accounts, regardless of whether those accounts are securely protected. Again, ability to access other persons' accounts does not, by itself, imply authorization to do so. Users are responsible for ascertaining what authorizations are necessary and for obtaining them before proceeding. Under no circumstances should a user of archdiocesan information resources use another user's account and/or hide their identity in the forwarding of e-mail messages and/or during the use of the internet or voice mail system. Violation of the privacy issues discussed herein will subject the user to discipline, up to and including termination.

Respect from using those resources for personal commercial purposes or for personal financial or other gain. Such use is prohibited. Personal use of archdiocesan information resources for other purposes is permitted when it does not consume a significant amount of those resources, does not interfere with the performance of the user's job or other archdiocesan responsibilities, and is otherwise in compliance with this policy. Further limits may be imposed upon personal use in accordance with normal supervisory procedures.

Respect the finite capacity of those resources and limit use so as not to consume an unreasonable amount of those resources or to interfere unreasonable with the activity of other users. Although there is not set bandwidth, disk space, CPU time, or other limit applicable to all uses of archdiocesan information resources, the archdiocese may require users of those resources to limit or refrain from specific uses in accordance with this principle. The reasonableness of any particular use will be judged in the context of all of the relevant circumstances.

Refrain from stating or implying that they speak on behalf of the archdiocese and from using archdiocesan symbols and logos without authorization to do so. Affiliation with the archdiocese does not, by itself, imply authorization to speak on behalf of the archdiocese. Authorization to speak on behalf of the archdiocese may be granted by the office of the Archbishop. Authorization to use archdiocesan symbols and logo on archdiocesan information resources may be granted only by the Office of the Archbishop. The use of a disclaimer on all communications is recommended, such as: the contents of this communication are the sole responsibility of (name of user) and do not necessarily represent the opinions or policies of the Archdiocese of New Orleans. Additionally, any communication should not be considered confidential. Any comments should be sent to (user's e-mail address).

ENFORCEMENT

Users who violate this policy may be denied access to archdiocesan information resources and may be subject to other penalties and disciplinary action, both within and outside of the archdiocese. Violations will be handled through the archdiocese's disciplinary procedures applicable to the relevant user. However, the archdiocese may temporarily suspend or block access to an account, prior to the initiation or completion of such procedures, when it reasonably appears necessary to do so in order to protect the integrity or security of the archdiocese or other information resources or to protect the archdiocese from liability. The archdiocese may also refer suspected violations of applicable law to appropriate law enforcement agencies.

SECURITY AND PRIVACY

The archdiocese employs various measures to protect the security of its information resources and of their users' accounts. Users should be aware, however, that the archdiocese cannot guarantee such security. Users should therefore engage in "safe computing" practices by establishing appropriate access restrictions for their accounts, guarding their passwords, and changing them regularly.

Users should also be aware that their uses of the archdiocese's information resources, including voice-mail resources, are not completely private. Data saved on the archdiocese's computers and/or servers, including e-mail equipment and e-mail and voice mail messages are the property of the Archdiocese of New Orleans. Messages that are created, sent or received using the archdiocese's e-mail system are the property of the archdiocese.

The archdiocese reserves the right to access and monitor the activity and accounts of individual users of archdiocesan information resources, including but not limited to the contents of individual e-mail accounts, voice mail accounts, login sessions and communications. Further, users should be aware that their computer information, voice-mail information and e-mail information – whether deleted or not – may be reviewed by the Archdiocese of New Orleans and that the users have no expectation of privacy in such information.

<p>Any and all of the above guidelines, rules and policies are at the discretion of the principal and/or pastor. Prior notice of any changes or revisions will be sent home with the students in a timely fashion.</p>
